# INTELLIGENT RESPONSES TO THIS ARTICLE

Hyperconcensus is not and never has been a part of the Hypertech group.

Kris Kay was an employee of the company and is now no longer with the company.

Hypertech group does not pay interest and nowhere in the terms and conditions is there a mention of interest. Hyper pays rewards, similar to Emirates airline who pay rewards on flights from profits they make.

The vietnam group were blocked for breach of our terms and conditions. HyperFund has a whole department dedicated to compliance for the benefit of their members.

WRITING THE WORD SCAM DOES  
NOT MAKE IT SO, OR BECAUSE  
TONY SAYS...WHO IS TONY  
ANYWAY!!
